THE UNSTOPPABLE JOEBIE MCPHEE!!

Name: Jeobie McPhee

Age: 23

Hometown: Townsville, QLD

Event/s: Breakaway Roper

2025/26 Title: M5 Breakaway Roping Champion

Horse: Freckles

How does it feel to be named the M5 Breakaway Roper Season Winner? Feeling very proud & privileged to be named the M5 breakaway roper for a 2nd year in a row! But mostly because of how hard the M5 committee work for these great rodeos to happen

What was your standout moment from the season? Winning Berwick on a 1.65 beating my personal best time

What do you love most about breakaway roping? The adrenaline it gives you when you go out there and make a good run & the way breakaway roping showcases cowgirls.

Who has been your biggest supporter this season? My biggest supporters are my dad and mum. They've always had my back. My brother Rope plays a huge role too; he's constantly pushing me to be better. And then there's my travelling partner Jemma Dowling. She drives me crazy, but she absolutely drives me to be better. When I think about it, I've got a genuinely great circle around me. I travel all over the country and there's always someone ready to welcome me into their home or rope alongside me. And of course, my horse Freckles. I literally couldn't do this job without him.

What is next for you after taking out the title? Try and get to as many M5 rodeos next season to try to defend my titles as they are such great rodeos.
